## MEMBER AGREEMENT

**Restrictions may apply.** Offer excludes overdraft protection loans and Visa credit cards; please contact us directly to determine eligibility for deferring these types of loan payments. **Requests on real estate loans will require a modification agreement to be signed electronically.** Co-signers on any loan must also sign the deferral form. Your account must be in good standing with no negative balances and all loans must be current in order to qualify. Past due payments, or payments already made do not qualify. Two loan payment deferrals allowed per request. Interest will continue to accrue during the deferral period, extending the original term & increasing the finance charges. Finance charges will continue to accrue on a daily basis at the APR (Annual Percentage Rate) set forth in the loan agreement at loan disbursement. Offer effective 3/26/2020 and can be cancelled at any time without prior notice.

I understand that a payment(s) will be added to the loan(s) at the time of maturity extending the life of the loan(s) by the number of monthly payments deferred. I will resume with my normally scheduled loan payments once the deferral period I selected has ended. By signing below, I acknowledge that I have read and understand the member agreement. I understand that I will be contacted if the credit union cannot honor my request.
